

**Take a Journey to the Cultural  
Epi-centre of New Zealand**

TRENZ 2024 FAMILS - Explore Central North Island

## CULTURAL

Let your senses take you on the ultimate cultural journey through the diverse regions of the Central North Island. Experience the road less travelled for authentic, engaging, life-affirming encounters with local Māori. Perhaps canoe and explore a mighty river with its own life force, learn the legends of the areas from significant Māori artworks and carvings, board 'waka' navigating legends of times past, or visit a global-travelling marae that returned with stories resonating with drama and intrigue. Perhaps learn the ways of traditional Māori medicine, or customary cooking in geothermal waters, as you take a special journey through NZ's cultural heart.

For cultural experiences new and known – places been or yet to be discovered, let us help you explore the Central North Island as you have never seen it before. Contact us today and we will craft a bespoke self-drive famil that will change the way you feel about your future itineraries to New Zealand, or perhaps join a guided famil from the international gateway of Auckland to Wellington.

## TRENZ 2024 FAMILS - Explore Central North Island

# OFF THE BEATEN TRACK

As desire for boutique experiences and unique moments in unexplored places reaches fever-pitch, developing itineraries to cater to these travellers can be truly challenging! How do you seek those exquisite experiences that genuinely bring new meaning to the word 'explore'. Let us famil you with products new and known, that open the minds and hearts to NZ offerings off the beaten track in the heart of NZ – The Central North Island. Wait with wonder-filled anticipation at the 'top of the world' for the new day to dawn, kayak amongst a mystical glowworm 'galaxy of stars', explore little known waters filled with tales of a bygone era. Trek, cycle or zipline through stunning regenerating forest, or finish your day in gourmet delight as you taste delicious local flavours.

Take the road less travelled, to places yet to discover. Let us help you explore the Central North Island as you have never seen it before. Contact us today and we will craft a bespoke self-drive famil, or perhaps join a guided famil from the international gateway of Auckland to Wellington that will change the way you develop your future itineraries to New Zealand.

North Island

Central Location of Luxury

# A Central Journey to Regeneration and Sustainability

TRENZ 2024 FAMILS - Explore Central North Island

## REGENERATION, SUSTAINABILITY

Learn of the outstanding conservation and regeneration projects that allow manuhiri (visitors) to minimise their travelling carbon footprint as they zipline, horse trek, walk, cycle or rail through regenerating forest, soak in soothing natural waters, or witness a glowworm galaxy under careful guardianship to ensure it lasts for generations. Explore the universe through clear skies from the comfort of accommodation. Engage with passionate operators committed to the sustainable delivery of hospitality and tourism experiences.

Our tourism operators deliver unforgettable encounters with an absolute dedication to long term sustainability but without compromise on comfort, experience or luxury. Let us introduce you to new products, new experiences you've not encountered before in the Central North Island. Contact us today and we will craft a bespoke self-drive eco-friendly famil, or perhaps join a guided famil from the international gateway of Auckland to Wellington that will change the way you create future itineraries to New Zealand.
